# WELCOME TO GREEN OCEAN

## KEEPING YOUR INDUSTRY AND NATURE SAFE

GREEN OCEAN specializes in solutions for many environmental challenges: oil spills, containment solutions, industrial maintenance and filtration.

GREEN OCEAN provides a full range of 100% eco-friendly products for spill control.

At the heart of all products is our unique patented filler – a revolutionary material made of natural fibers with nano reinforcement, which helps clean spills faster and in a more efficient way.

Green Ocean is a Dutch based company, with our corporate office located in Amsterdam. Sales offices are located in the USA, Netherlands and Russia.

Green Ocean Absorbents are certified by CEDRE (Center of Documentation, Research and Experimentation on Accidental Water Pollution).

Production is ISO 9001/ISO 14001 certified.
